RYZUPTM
SUPPORT SERVICES

Your Partner in Care

RYZUP Support Services provides personalized support to help you access, start, and stay on track with your LUMRYZ treatment plan.

Personalized support

Your personal RYZUP Nurse Care Navigator (NCN) is dedicated to helping you start LUMRYZ and will be with you throughout your treatment journey.

Support for navigating insurance

Your NCN will help you navigate the insurance process and help connect you with financial assistance you might qualify for.

Support for starting LUMRYZ and beyond

Once you are ready to start LUMRYZ, your NCN can:

- help you coordinate with your specialty pharmacy
- share information about your new treatment
- help you prepare for check-ins with your healthcare team

“

Insurance, co-pays, and prior authorizations can be extremely confusing... RYZUP [Support Services] has been guiding me through the process and helps me get ahead of prior authorizations so I don't lose access to treatment.”
—Tyler F., treating with LUMRYZ

Tyler was compensated by Avadel Pharmaceuticals to share his story.

Enrollment

Before you can begin LUMRYZ, your doctor's office will start the process to enroll you in:

1

RYZUP™ SUPPORT SERVICES

Enrolling into RYZUP Support Services allows you to access personalized support to help you access, start, and stay on track with your LUMRYZ treatment plan.

2

LUMRYZ REMS

Enrollment in LUMRYZ REMS is required for you to receive LUMRYZ.

To complete enrollment, you will need to sign two forms:

- Patient Authorization Form
- LUMRYZ REMS Patient Enrollment Form

You may be asked to sign these forms in the healthcare provider's office. If not, you may receive two separate emails with instructions for how to complete and e-sign.

Expect a call from your NCN soon after completing the required enrollment steps

REMS, Risk Evaluation and Mitigation Strategy.
