

JUST PRESCRIBED LUMRYZ? HERE'S WHAT HAPPENS NEXT

Lumryz™
(sodium oxybate) for extended-release
oral suspension

RYZUP™
SUPPORT SERVICES

Once you and your healthcare provider decide to start LUMRYZ, it's helpful to have a clear picture of what comes next. This timeline provides an **overview of the typical stages of your journey with LUMRYZ.**

You will have 2 dedicated RYZUP Nurse Care Navigators (NCNs) supporting you every step of the way.

1 ENROLLMENT

At your appointment, your healthcare provider submits forms to enroll you in:

- The LUMRYZ REMS
- RYZUP Support Services

If you don't sign the forms in the office, that's OK! The Enrollment Form can be submitted without your signature. Your NCN will follow up to capture any missing information or signatures to help complete your enrollment.

Expect a call from your NCN within 48 hours of the RYZUP Enrollment Form submission with updates on your enrollment and next steps.

Your NCN will also be working to confirm your insurance coverage during this time.

Throughout your LUMRYZ journey, you'll receive emails from your NCN with status updates, information about LUMRYZ, resources, and tips.

2 INSURANCE AND APPROVAL

RYZUP Support Services works directly with your healthcare provider to determine your insurance plan's coverage requirements for LUMRYZ.

Questions? You can call your NCN team for updates on enrollment, insurance, or prescription status.

Upon benefits confirmation, your NCN will share which specialty pharmacy will fill your prescription.

A LUMRYZ Welcome Kit will arrive in the mail with helpful information about LUMRYZ. It will not contain any medication.

FINANCIAL ASSISTANCE

Your NCN will automatically share information with you and your healthcare provider about financial assistance programs for LUMRYZ. The LUMRYZ financial assistance programs are:

\$0 co-pay* • **LUMRYZ Quick Start[†]** • **LUMRYZ Bridge Program[†]** • **Patient Assistance Program (PAP)[‡]**

*This offer is valid only for patients who have commercial insurance. Offer not valid for patients enrolled in Medicare, Medicaid, or other federal or state healthcare programs. Additional terms and conditions apply. [Download](#) the full terms and conditions of the co-pay program.

[†]Applies only to eligible, commercially insured patients.

[‡]PAP application required. Patient must meet certain financial and other criteria.

REMS, Risk Evaluation and Mitigation Strategy.

Please see full [Prescribing Information](#), including **BOXED Warning**, and [Medication Guide](#).

SUPPORT SERVICES

3 SPECIALTY PHARMACY AND DELIVERY

Your healthcare team sends the prescription to your specialty pharmacy.

A pharmacist will call you to discuss your prescription and coordinate the shipment.

You will need to speak with your pharmacist by phone each time to authorize delivery and schedule your LUMRYZ shipment, so it is important that you answer this call.

Your LUMRYZ will be shipped directly to you. Typically, this takes about 30 days after your enrollment forms are completed and submitted.

You or an authorized adult will need to sign for the package when it arrives.

Your specialty pharmacy is also a resource for you. They have support available 24/7.

4 YOUR FIRST LUMRYZ SHIPMENT

A member of your NCN team will call to confirm you received your first shipment and answer any questions you may have. You should expect a call within 1-2 days of receiving your product.

This NCN specializes in providing disease education and information about LUMRYZ:

- Preparing and taking LUMRYZ
- Helpful LUMRYZ resources

5 SUPPORT DURING TREATMENT

Support

It's okay to need extra support from your healthcare team during treatment.

That's why it's important to share how you're feeling with frequent check-ins with your healthcare provider.

You can find more information at [MyLUMRYZ.com](https://www.MyLUMRYZ.com).

6 LUMRYZ REFILLS

Communications from your specialty pharmacy:

Your specialty pharmacy will call when it's time for a refill. As part of the REMS program, your specialty pharmacy will also confirm that your other medications haven't changed.

Helpful things to discuss with your specialty pharmacy:

- Upcoming travel
- Insurance changes
- Change of address or delivery needs

Your NCN is here to support you with any insurance-related challenges or changes during your treatment.

Your NCN will check in regularly via phone and email—they are also available if you have questions or feel unsure about next steps. You can reach your NCN at 1-844-485-7636 from 8:00 AM to 8:00 PM Eastern Time, Monday through Friday.
